Flood Control

Rubber Coupling Check Valves

Quantity

- * Flappers Are Nested
- * Hydrodynamic Shape
- * Durable Injection Molding
- * All Valves Are Pressure Tested

Item No.	Description
----------	-------------

Rubber Hose Check Valves Full Flow

CNC1101	1-1/2 Full Flow ABS Check Valve	24
CNC1102	2 Full Flow ABS Check Valve	24
CNC1105	2 Full Flow ABS Check Valve For 2" Copper	12
CNC1114	1-1/4 x 1-1/2 Full Flow Combination Check Valve	12

- * Silent Operation Eliminates Hammering
- * Baffle To Slow Water Before Hitting Flapper
- * Gasketless Housing
- * Injection Molded ABS Housing For High Durability
- * All Valves Are Pressure Tested

Rubber Hose Check Valves Silent Style

CNC1111	1-1/2 Silent Style Check Valve	16
CNC1112	2 Silent Style Check Valve	12
CNC1113	Silent Style for 2" Copper	12
